**SYMPOTMS OF CATARRH**—Dull, heavy  
headache, often of the temples, passages,  
discharge falling from the head into the throat,  
sometimes profuse, watery, and serous; at others  
thick, tenacious, mucous, purulent, bluish and  
putrid, the eyes are weak and watery; there is  
a ringing in the ears, dullness of hearing, or  
even deafness; clear the throat, expectoration of  
effeminate mucus, together with sneezes from in-  
cessus; the voice is changed and has a "maw-  
ing" sound; the breath is offensive, and am-  
bient air is filled with the presence of disease  
with mental depression, a hacking cough  
and general debility. Only a few of the above  
named symptoms are likely to be present in  
any one case, others are equally  
likely to appear half or the above sym-  
ptoms, etc., in consumption and end in the

ep and dangerous, or less understood by phys-  
icians.

cases of Catarrh, "Cold in the Head,"

"Untold Agony from Catarrh."

Prof. W. H. DANNEHL, the famous mesmerist,  
of Glens Falls, N. Y., writes: "After ten years' ex-  
perience, I can assure you that the Cataract Remedy  
cures. My family physician in Glens Falls  
had me to see him, and said I must die. My case was  
such a bad one that every day, toward evening,  
my voice would fail, and I could not speak. I  
was unable to swallow a whisp of straw. The morning  
after a vomiting and clearing out, my throat would  
almost strangle me. By the use of Dr. Sage's  
Cataract Remedy, in three months, I was a well  
man, and the cure has been permanent."

"Constantly Hawking and Spitting."

THOMAS J. BREWING, Esq., 2002 Pine Street,  
St. Louis, Mo., writes: "I was a great sufferer  
from catarrh for three years. At times I could  
hardly breathe, and was constantly hawking  
and spitting. At eight months I could  
not breath through the nostrils. I thought  
nothing could be done for me. Luckily, I was  
advised to try Dr. Sage's Cataract Remedy, and  
I am now a well man. Let me tell you, it is the  
only safe remedy for catarrh now manufactured,  
and no one has only to give it a fair trial to  
experience astounding results and a permanent  
cure."

A complete Treatise on Catarrh, giving valuable  
hints as to clothing, diet and other matters of  
importance, will be mailed, postpaid, to any  
address, on receipt of a two-cent postage stamp.
